Another Start

After a summer filled with swimming, sunbathing, summer jobs and many other things; the students of Batesville High School came back to school for another year. Last year's Seniors were gone, replaced by this year's Seniors who realized that they had only 2 semesters left at BHS. Shy Freshman came, full of hopes and fears, while Sophomores and Juniors settled back into the same old routine of classes and homework.

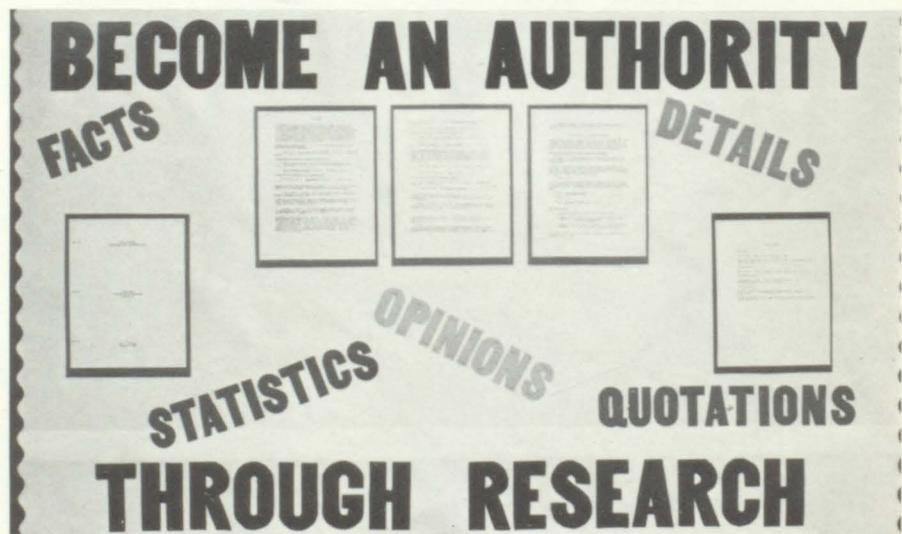

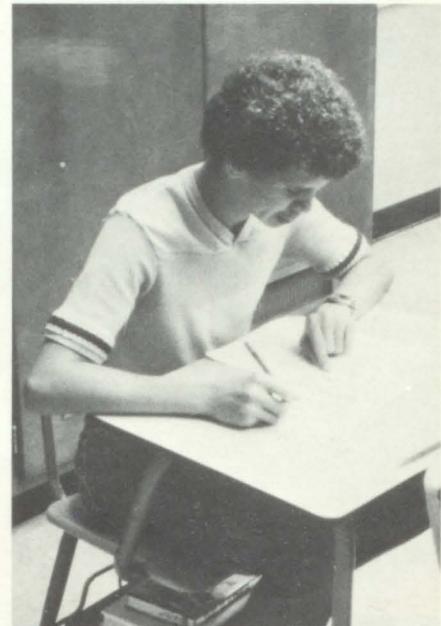

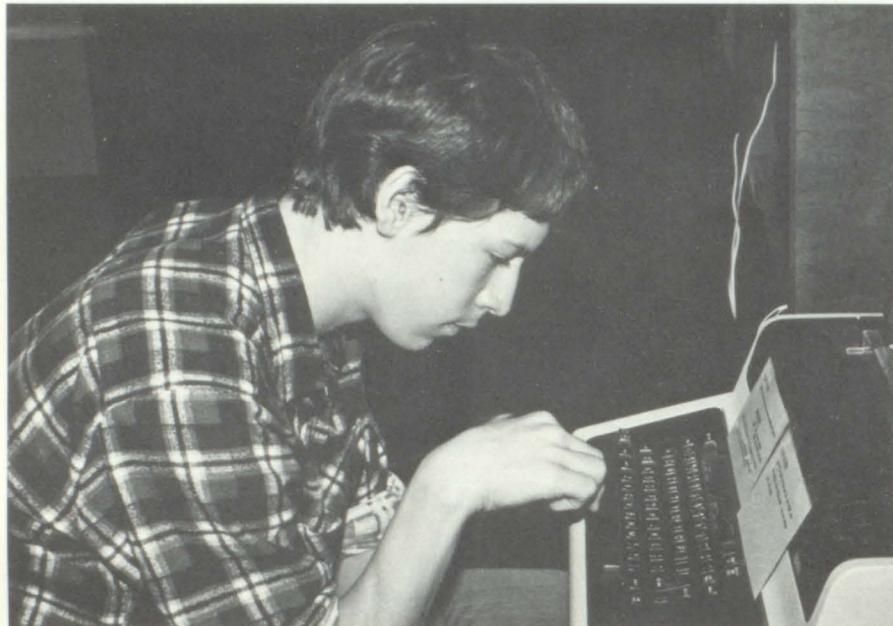

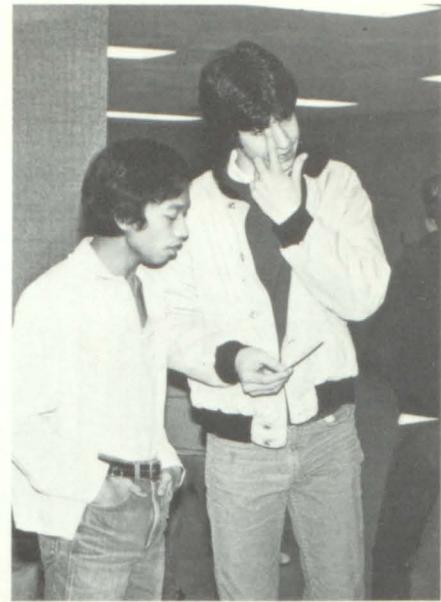

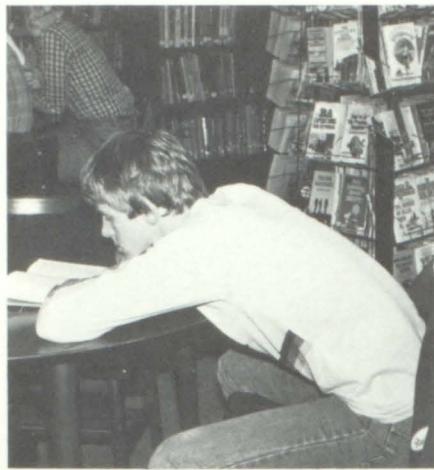

Although most students missed the freedom they had had during the summer, they were soon involved in the many sports, clubs, and other school activities offered by the high school. Much time was spent in making the Homecoming floats which turned out great and added a lot to the Homecoming festivities. The fall sports teams began their practices, and later ended their seasons with pretty impressive records.

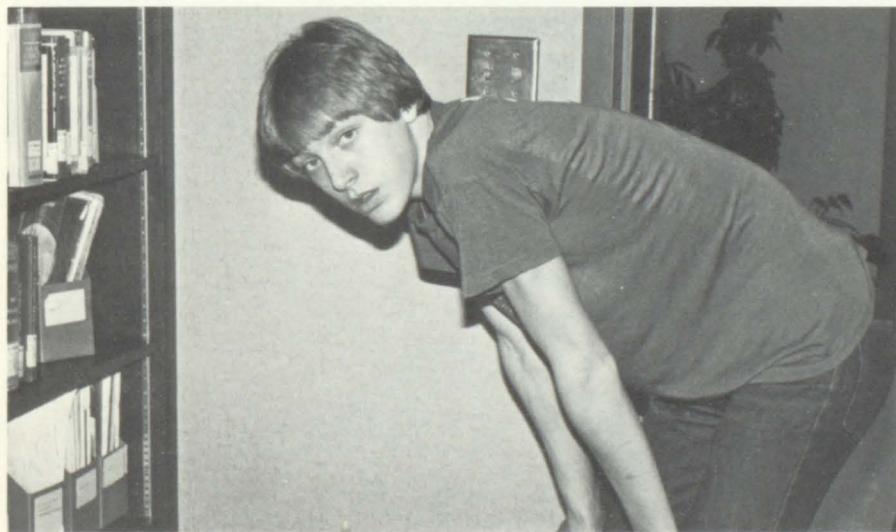

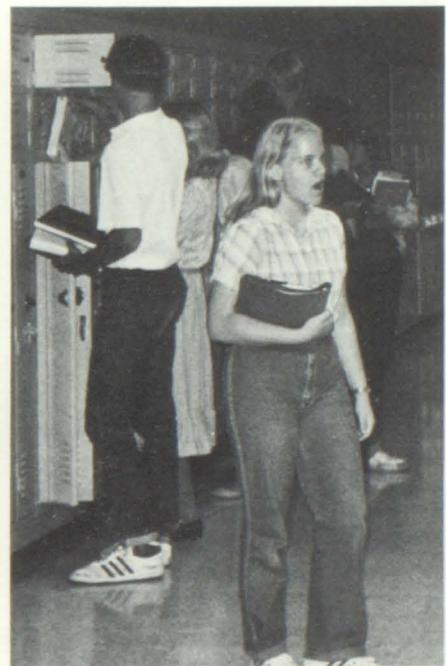

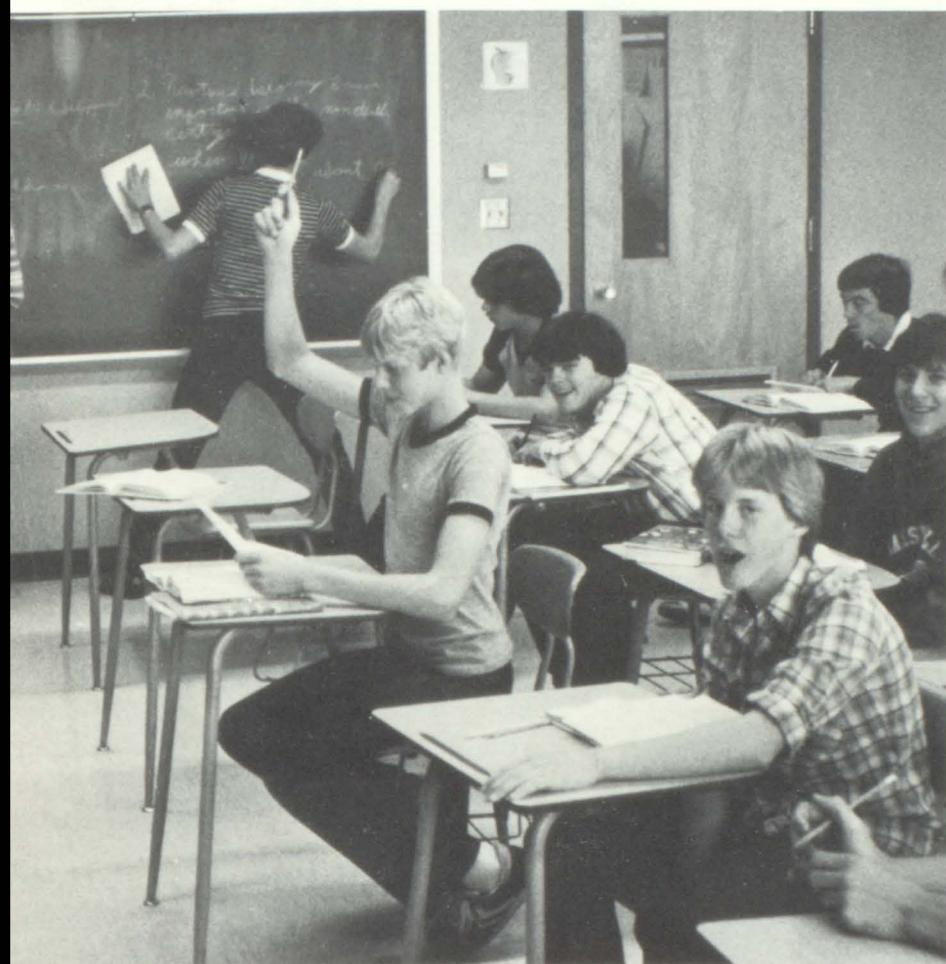

Winter rolled around and brought new things with it. Basketball games and dances were some of the weekend activities. As spring drew nearer, the Juniors began to make their final preparations for Prom and many of the Seniors suffered from a disease called "Senioritis."

All-in-all, the school year of 12 1982-83 was an eventful year, filled with many things.

Everyday Education at B.H.S.

The everyday student life at Batesville High School follows all educational avenues, from individual study . . . to sharing ideas . . . to student-teacher feedback within the classroom. All of which molds the students for their place in the future.

Outstanding Homecoming '82

October 2, 1982, was finally here! After several weeks of making plans and building floats, the weekend which many people had been waiting for arrived; it was Homecoming!

Everything started on Friday night with a Powder Puff Soccer Game between the Junior and Senior girls, which the Juniors won. Boy cheerleaders and a drill team made up of Senior guys entertained the crowd; and at half time, Kevin Doyle was crowned as Powder Puff King.

Saturday was warm and sunny and started off great with a parade with the theme of "Cartoons". The Senior

Homecoming Queen Candidates were Connie Hammerle, Jane Hartshorn and Piper Perdue; with the court made up of Juniors Jenny Kinker and Ann Amberger, Sophomores Claire Werner and Jill Hegwood, and Freshmen Kate Ekins and Charissa DeFrancesco. Along with the great band show at half time, Jane Hartshorn was named as the 1982 Homecoming Queen and the Senior class was announced as the winner of the float competition.

To end a great day, the Bulldogs beat the Lawrenceburg Tigers by a score of 27-8.

ABOVE . . . Seniors win float competition with—Winnie says, "Pooh on the Tigers."

Ordinary—Not Really!!

Everyday student life at any high school can be as dull and lifeless as listening to your favorite English teacher lecture about Edgar Allan Poe's quest for beauty. But at Batesville High School, the routine occasionally changes drastically to regenerate the mind and add life to an otherwise ordinary day.

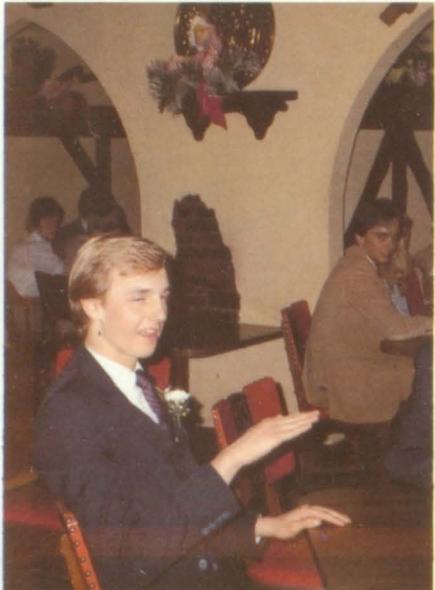

December 19, 1982, SEMI!

December 19, 1982

Well, the night finally came—Semi! We started out at my house pinning on flowers with Mom taking a zillion pictures. I was so nervous at dinner, why can't they make lettuce leaves smaller? The band, "Riviera", was pretty good, but they didn't play enough slow songs. (Shucks!) After the dance almost everyone went to Garcia's party; it was a blast! When curfew rolled around he brought me home. Although my corsage will die, the memories will stay with me always.

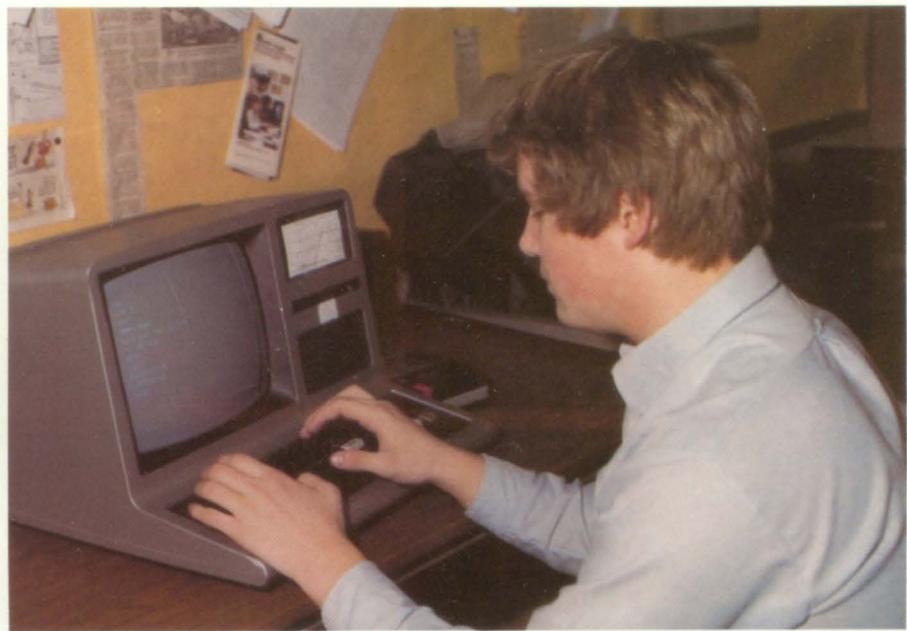

Another Year & More Memories

Dear Diary,

January 3, 1983

Jeez! I can't believe Christmas vacation is already over, it just flew by. We went back to school today—it was totally boring. I looked through my books today and found old notes about Semi and New Year's Eve. It's sort of strange to think that I put so much emphasis on one night of my life and all I have left is a memory. Then again I guess that isn't so strange, what is high school life without the memories??

An Outstanding Future

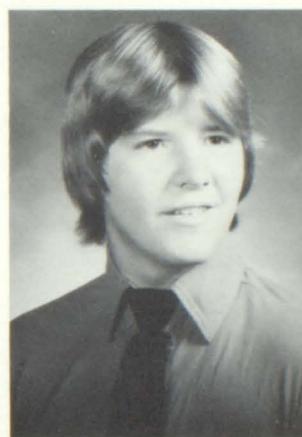

After 3 long years of high school, the time that the class of "83" had been waiting for finally arrived—Seniors, at last! As Seniors, they have had many great experiences since they started their high school years as shy Freshmen. During their Sophomore year, they were more confident and became more involved in school activities. As Juniors, they read Beowulf in English class and raised money for their great Prom, whose theme was, "The Best of Times". This year, the class of "83" defeated the other classes with their Homecoming float for the first time! Senior Homecoming Queen Candidates were Connie Hammerle, Jane Hartshorn and Piper Perdue. Jane Hartshorn was chosen as the 1982 Homecoming Queen.

The Senior class officers; Jane Hartshorn, President; Lesa Butte, Vice-President; Virginia Becker, Secretary; and Drew Calo, Treasurer; worked with the class sponsor, Mr. Yarber, on many projects.

Despite the many cases of "Senioritis", the class of "83" had a great year and will leave Batesville High School with many memories.

SOPHOMORES

Experience Is Important

The Sophomore class led by President Monina Garcia, Vice-President Doug Struewing, Secretary Chan Gutzwiller and Treasurer Jill Hegwood began their second year as underclassmen. One of the major jobs for sponsor Mrs. Voegele and her class was the financial outlook, as they begin to prepare for the Junior-Senior Prom during their third year of High School.

FRESHMEN

Look to the Future

The Freshman class began their high school years a little scared, but with plenty of enthusiasm. They were active in both sports and extra-curricular activities. The officers leading the freshmen class were: Harry Robben, President; Tim Hunter, Vice-President; Gena Zeigler, Secretary; and Lori Meyer, Treasurer. Their class sponsor was Mrs. Bischoff. The Freshmen Homecoming Representatives were Charissa DeFrancesco and Kate Ekins.

SPORTS

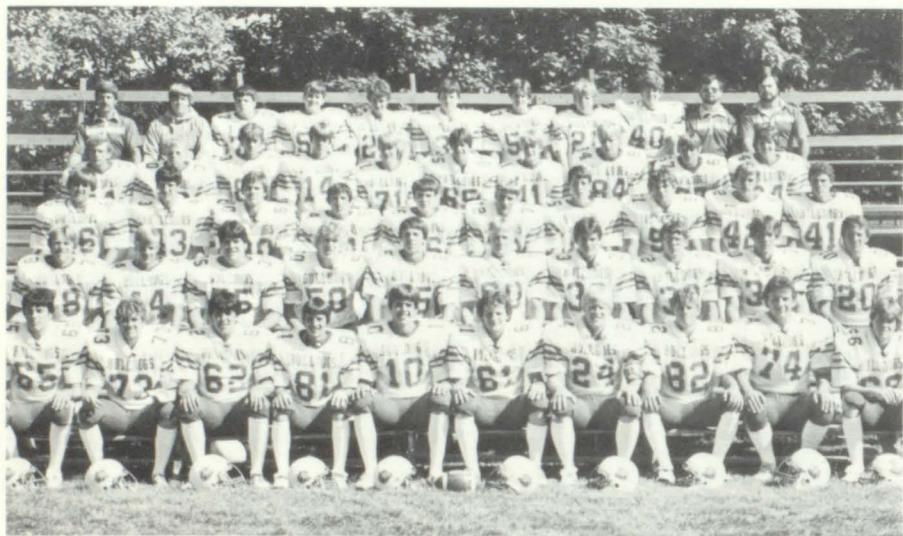

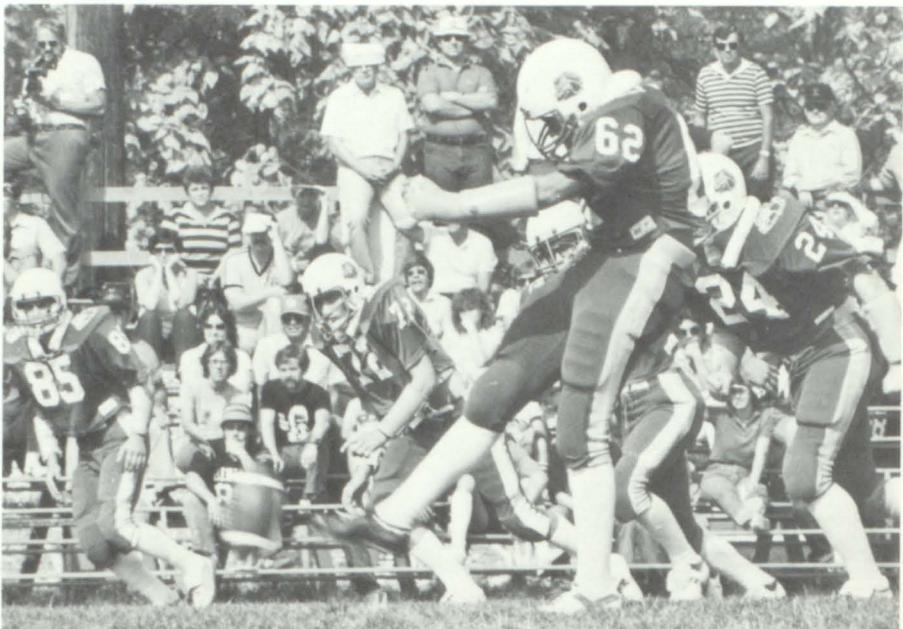

Football

Season Highlighted by Homecoming Victory

For the first time in many years, the Batesville football team defeated the Lawrenceburg Tigers by a score of 27-8! After this great game, the Bulldogs went on to end their season with a 6-4 record. They placed a respectable 2nd in Conference, finishing 3-2. Many players were honored for their outstanding play during the season. Brett Heppner and Kevin Doyle were Honorable Mention Academic All-State; while Jeff Nobbe, Mike Hegwood, Brad Dreyer, John Dall, Brian Siefert, and Matt Boyd were named All-Conference. Brad Dreyer was also named to U.P.I. First Team All-State and A.P. Third Team All-State, while Bob McCreary was named to the Region 10 All-Star Team.

Although the team will be losing many experienced Seniors, the talented underclassmen are expected to do a good job taking their places.

Volleyball

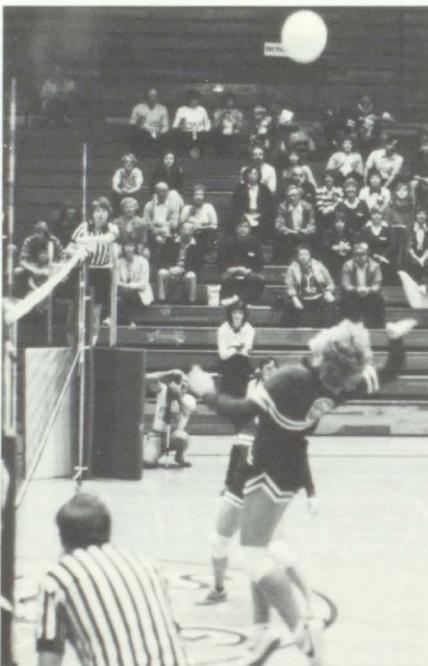

Regional Bound, First Time Ever!

The Batesville Varsity Volleyball had one of their best seasons ever, this year. The team won a hard fought tourney at Lawrenceburg and became the Lawrenceburg Invitational Champs. The team also won the Volleyball Sectional for the first time in the history of our school. They advanced to the Regional, but were defeated in the first round by Columbus East.

This year's team added a lot of enthusiasm and team spirit to their season. They finished the season with an 18-5 record. Although the team will be losing the leadership of several great Seniors, next year's team should be very successful.

BELOW ... Team huddles for strategy during Regional.

Neither shin-splints nor aching muscles were any excuse for a poor performance on this year's boy's cross-country team. Coach Raver can be proud of his runners who worked hard and ended their season with a 12-3 record. They were also Ripley County Champs and Conference Champs for the 8th year in a row! Members of the team making All-Conference were: Mike Weigel, Jeff Edwards, Drew Calo, Tom Tinkham, and Brian Decker.

After placing 2nd in the Sectional, the team advanced to the Regional. Although the team placed 6th in the meet, Junior Mike Weigel ran an excellent race. His 10th place finish moved him on to the Semi-State where he represented the Bulldogs.

Girl's Cross-Country

Lady Harriers Becoming Champions

"Down to the barriers and back, full speed . . . go!" This familiar phrase used by Coach Raver caused many groans from the Girl's Cross-Country team. Despite these groans, the girls practiced hard and had an excellent year. They finished their season with an 11-0-1 record and were Ripley County Champs, East Central Invitational Champs, and Bloomington Invitational Champs (Division II). Although the girls tied for first place in the Sectional after the top 5 runners were counted, the 6th runners were then counted and Batesville unfortunately received 2nd. Judy Bogenschutz ran a great race and won her 2nd Sectional title in a row.

The team is losing only 2 seniors and is hoping for a great season next year.

BELOW . . . (Front Row)—T. Baumer, C. Baumer, A. Volk, J. Hartshorn. (Back Row)—J. Bogenschutz, S. Freese, M. Mosier, Coach Raver.

Boy's Tennis

A Disappointing Season, but a Young Future

VARSITY . . . Row 1; J. Garcia, T. Grossman, Heidlage, S. Clawson, and Coach Sagester. J. Garcia. Row 2; J. Miller, G. Molinsky, B.

Despite more losses than wins the Bulldog netters can look forward to better years as a great deal of experience was gained by the younger players.

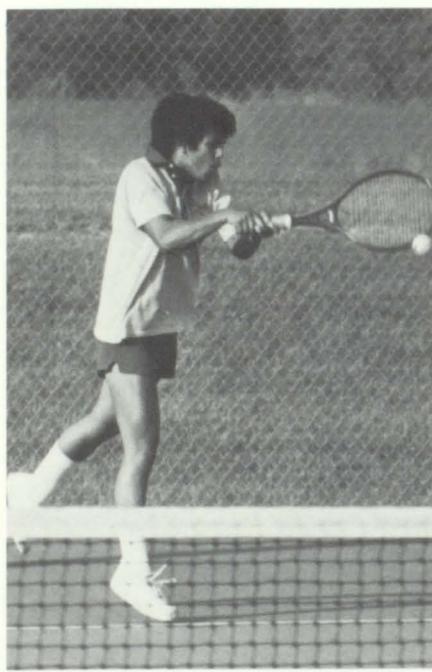

The loss of senior Scott Clawson will be felt by the entire program. Through his 4 years he established an 80-15 record, was second team all-state, and was selected to the Senior All-Star team.

Jim Miller and Bob Heidlage had an excellent year at #2 doubles and showed great promise for their senior year.

George Molinsky, Joel Garcia, and Tim Grossman struggled at times but look for a much improved year in 83-84.

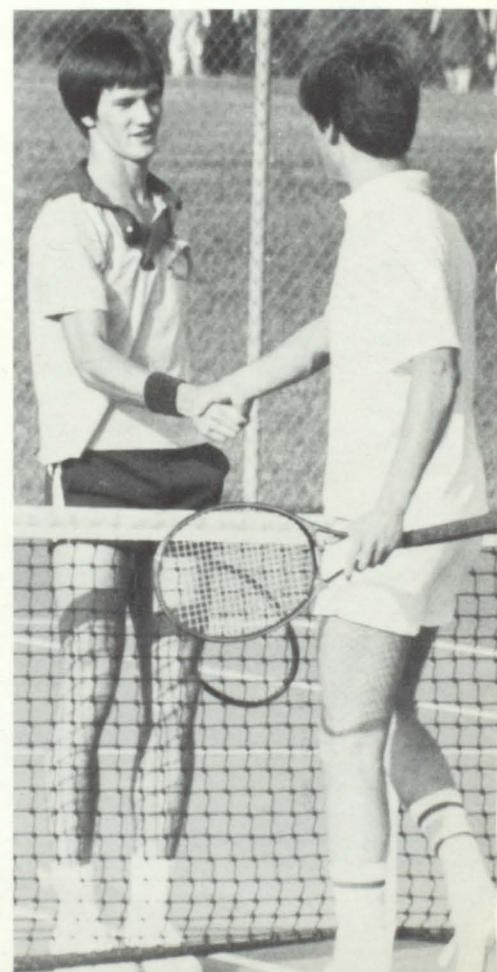

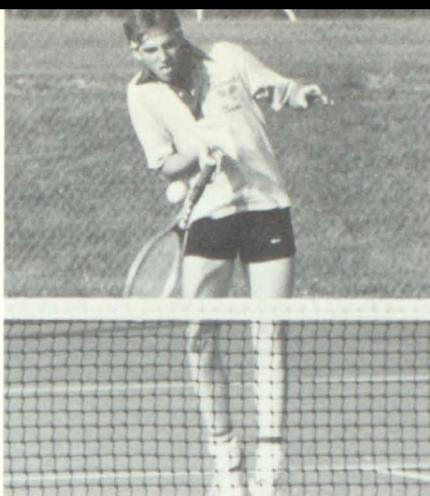

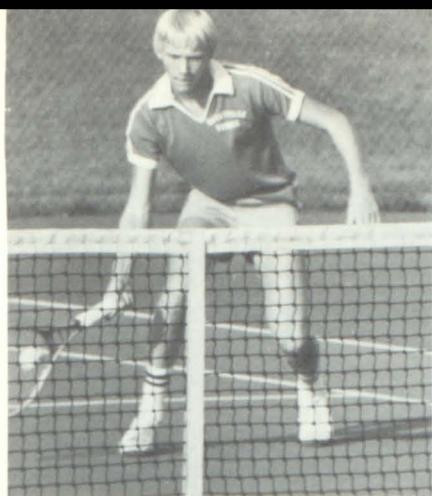

ABOVE . . . George's backhand form seems a bit weak on this shot.

Girl's Golf

Underclassmen Post Outstanding Season

BELOW ... (Left to Right)—L. Goble, J. Hegwood, K. Ekins, A. Ekins, D. Hartman, L. Nobbe, Coach Art Brebberman, (not pictured—B. Kelley).

The girls golf season began with a 4-meet winning streak and ended with a 9-6 record. The team was second in the Conference, and Anne Ekins, Kate Ekins, and Jill Hegwood were All-Conference individually. The team placed fourth in the Sectional, although they were potentially a regional team. Anne Ekins placed third in the Sectional which advanced her to Regional play. There Anne placed second and was State-bound. Anne placed 53rd in the State, shooting a 95. Since the team won't be losing anyone and will have their golf course back, we expect a fantastic season next fall.

Wrestling

Grapplers Enjoy Fine Year

Chicken Wing, Duck Under, Stick 'em, . . . were terms familiar to wrestlers during the season which ended with the Varsity's 5-8 record and the Reserve's 10-6 record. The grapplers, led by co-captains Brett Heppner and Kevin Doyle, finished 3rd in the EIAC. Heppner and Dan Nobbe participated in the Semi-State and Heppner was voted as the team's MVP.

County Conference Sectional

Although the Spartans of Connersville ended the season sooner than everyone would have liked, the Bulldogs could not be ashamed of their performance as they gave everyone their money's worth every time they took the floor. From the high flying dunks of Dave Galle to the defensive quickness of Mike Hegwood, Scott Clawson, and Mike Galle the crowd was excited. And everyone will also remember the inside play of Dave Roell and the sharp shooting of Snuffy Giltz and Psycho Dickman.

The season will be one that everyone will place high in their memory. The 22-2 record was just as enjoyable as the 24-2 record of the 1970-71 Bulldogs. Coach Cochran help set a defensive precedent for Batesville basketball that will be known for future years.

The Unsung Heroines of the Sidelines

The long hours of practice that the cheerleaders put in each week often goes unnoticed despite the sweat and hard work that is shown during, before, and after the games. Not only do the varsity cheerleaders lead the crowds but oftentimes even the freshmen and reserve girls help at all the big games.

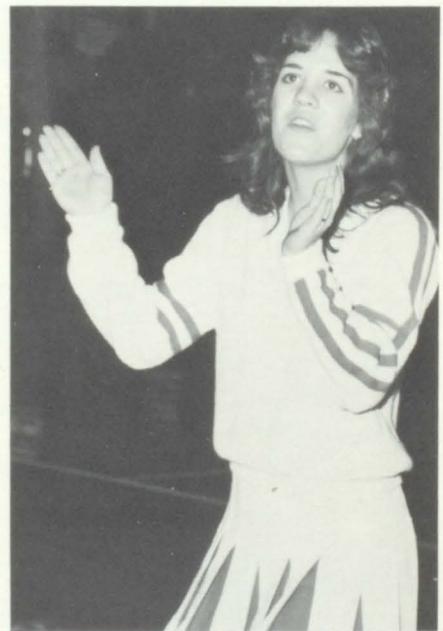

Working hard is all they do, but then that is what they are there for. The lady Bulldog cheerleaders were the best around and the fans did an excellent job in helping them.

Boys' Golf

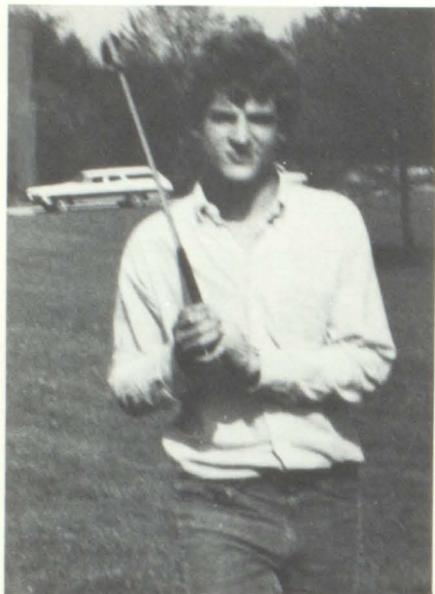

Outstanding EIAC Champs

Although there was some inconsistent play at times the golfers came through when they needed to. The Specter staff produces the Batesville High School newspaper. The staff consists of Editor-in-chief, co-editors, business editors, photographers, reporters, and extra typists. The Specter is produced about once every three or four weeks. All staff members write articles, and the editors are responsible for typing, proof-reading and laying-up, the typeset copy. The articles are typeset at the Herald Tribune, the publisher of the paper. The Specter offers feature articles of student and general interest, editorials, creative writing, organizational news, sports, photos, and puzzles. Editors attend Journalism Day at Ball State each year.

The Student Council played an important role in student activities this year. Under the leadership of the officers, Ann Miller—President, Brad Dreyer—Vice-President, Piper Perdue—Secretary, Theresa Haskamp—Treasurer, the year proved to be a success. Many new projects were accomplished such as Beat-the-Blahs Week, a surprise convo, as well as many dances, convocations, and various special days.

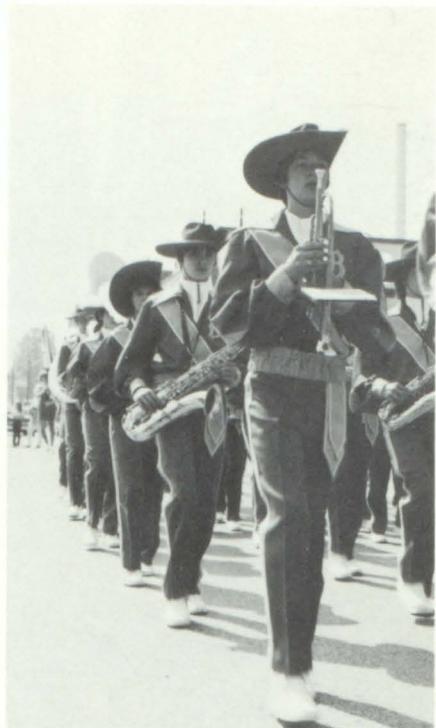

Many members attended the state convention at Newburgh. The Council had a Christmas party which was a lot of fun. The annual Sherman House day was held earlier in the year with over 12 schools from the district attending. This gave everyone a chance to exchange ideas and plans, which was worthwhile for all.

A Very Visible Organization

Band encompasses two major organizations, a marching band and a concert band. The first semester primarily is dedicated to marching. The band performs at all home football games, possibly two basketball games, and 3 to 5 parades. The marching band serves an important public relations job because it is the most visible non-sport activity. Support and added interest are the marching band's most important function.

Concert band is the more musically oriented of the two divisions; playing quality is the number one goal. The concert band plays 2 to 3 concerts; Christmas, Spring, and Graduation. The concert group hosts organization contests in the spring, and has taken part in the county music festival (but not this year). The elected leader is the drum major—Bobbi Maple. The band needs a budget of about \$10,000 a year. To maintain equipment and supplies, magazines, records, cheese & sausage, soap, pizza have all been sold to achieve their goals.

Conservation Club

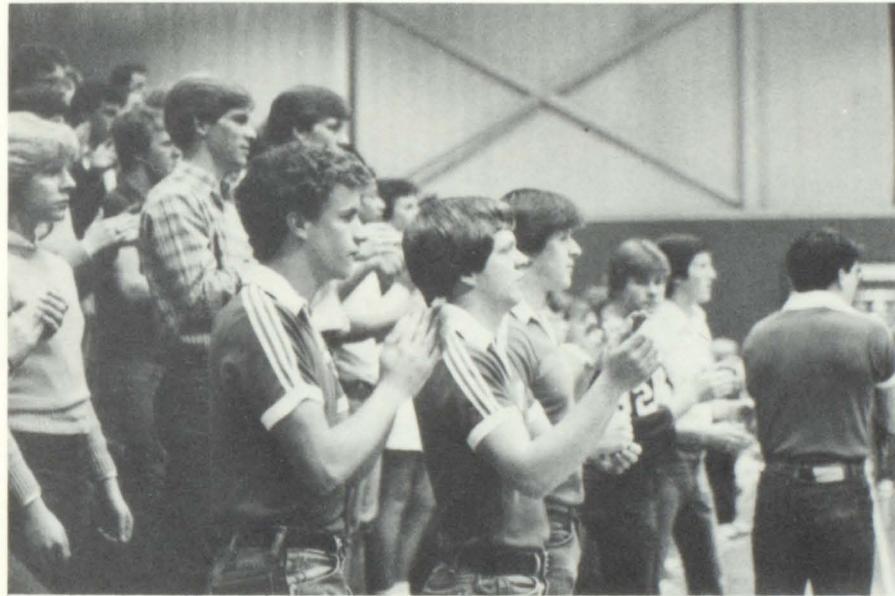

The officers of the Conservation Club are Brian Laker, President; Steve Eckstein, Secretary; Keith Hazelwood, Treasurer; Tim Cooper, Reporter; and Dennis Siebert, Recorder. The Junior Conservation Club has many goals and objectives which it tries to meet during the year. They are: to help improve the quail population through bird raising and release programs, to encourage good

conservation practices through meetings, discussions, and field trips, to have close contact with the conservation officers and close association with the Tri-County Coon Hunter Conservation Club, to participate with fish rearing projects, to aid the club with tree planting and tree trimming projects through their tree raising program, participation in the Christmas tree planting, and harvesting, to help

conserve better wildlife through better control of hunting and trapping procedures, to help with the wildlife winter survival program, to obey all fishing and hunting laws, to encourage good sportsmanship, and to show respect for the farmer, his family, and his property.

Although a picture was taken of the Conservation Club, it was unprintable.

German and Spanish Clubs

The German Club was formed to promote interest in the German language, the German people, and their culture.

The official title of the German club is **Der Deutschsprechers Verein**. Bobbi Maple is president; Don Barnhorst, vice president; Connie Baumer, secretary, and Troy Ilderton, treasurer.

The club song is **Die Gedanken Sind Frei**, (Thoughts Are Free). The club colors are black, gold, and red; the colors of the flag of the Federal Republic of Germany.

The one and only activity of 1982-1983 was the **Wandertag**, an outing and a hike from the high school to Oldenburg.

As for the future, as in the past, the Verein's strength lies in the degree of interest shown by the German students themselves.

The FFA officers for 1983 are: Jerome Meyer, President; Dan Nobbe, Vice-President; Lyle Nuhring, Secretary; Brian Laker, Treasurer; David Wietlesbach, Reporter; and Greg Nobbe, Sentinel. The FFA also has Junior officers who are Tom Sievert, Mike Simmermeyer, Jeff Wilhelm, Todd Schutte, David Raab, and Chris Bedel.

The club participates in many judging activities such as crops, entomology, forestry, dairy, soils, leadership and livestock contests. They park cars at home football and basketball games, as well as other special activities held at BHS.

The past fall and summer, they have planted various trees and shrubs in the back of the high school. A garden was also planted and cared for.

During the first annual Harvest Days celebration in Batesville, they conducted a Kiddie Tractor Pull, had a food tent, and different contests were also completed. They held opening and closing ceremonies during the Annual Farm City Week Banquet. There was a grain show held also. Although the FFA will be adding 1 or 2 new projects, their 2 major projects are selling apples in the fall and seeds in the spring.

Job Skills Under Actual Working Conditions

VICA (Vocational Industrial Clubs of America) is a co-curricular club for vocational students enrolled in trade, industrial, technical, and health occupational training programs. The purposes of the club are to develop leadership, community and civic services, and social and recreation.

Being a co-curricular club, all students at Batesville enrolled in the ICT and ICE programs are members of the local VICA club, Indiana VICA, and National VICA. The members have the opportunity to compete in skill and leadership contests on a regional, state and national basis. Our local VICA club is divided into two sections, each having officers, combining to form the local VICA Club. The section officers are: President—Mike Greenway, Vice-President—Greg Struewing and Rita Kruthaupt, Secretary—Melanie Miller and Tim Meer, Treasurer—Ed Horstman and Belina Nobbe, Reporter—Dan Eckstein and Bruce Dwenger, Parliamentarian—Marvin Narwoal and Candace Beverage, Sergeant-At-Arms—Jim Lamping and Stan Roell. The Club Officers are Jeff Blanken—President, Greg Struewing—Vice-President, Tim Meer—Secretary, Ed Horstman—Treasurer, Candace Beverage—Parliamentarian, Dan Eckstein—Representative and Stan Roell—Sergeant-At-Arms.

The primary money making project is through dues collection. Most of the money collected is used to pay for the Annual Employer-Employee banquet. This banquet is held each spring and is an opportunity for the students to pay tribute to their employers and supervisors for providing employment so that they may learn job skills under actual working conditions.

Young Actors Show Talents

This year, the Thespians were led by Josh Raver, President; Kevin Doyle, Vice-President; Missy Ziegler, Secretary and Treasurer; and Mr. Hayes, the club sponsor. Their first presentation was the play "The Pied Piper", which was performed for the grade schools and also as a benefit performance one evening. With the help of the music department, the musical "Grease" was also presented by the Thespians in May.

“Grease”

Although it took months of hard work to prepare for and present the musical “Grease” on May 13 and 14, the students involved in the production found it well worth the effort. “Grease” was full of popular songs such as “Summer Nights” and “Greased Lightnin’” sung by members of the cast, while many dance routines were also presented to the audience. Mr. James Hayes, Mr. Leon Enneking, and Miss Patricia Terry were the directors and they did much to make the musical a huge success.

“Wonderful Tonight”

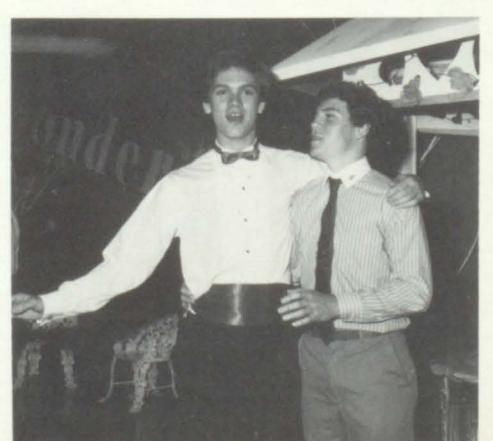

The theme of the 1983 Prom held on April 30th, which was “Wonderful Tonight,” also described the usually dull gym which had been decorated by the Juniors. The class of '84 had worked hard to make everything perfect and they did a great job. The band, Monarch, entertained the crowd, while Rodger Merkel and Jane Hartshorn were crowned the 1983 Prom King and Queen.

The Class of '83 Moves on

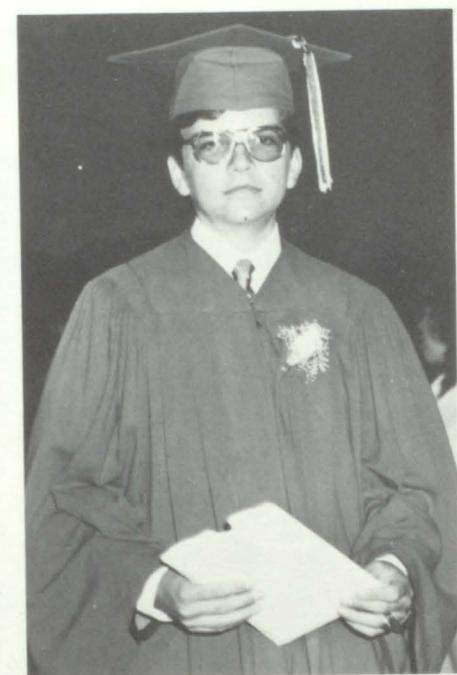

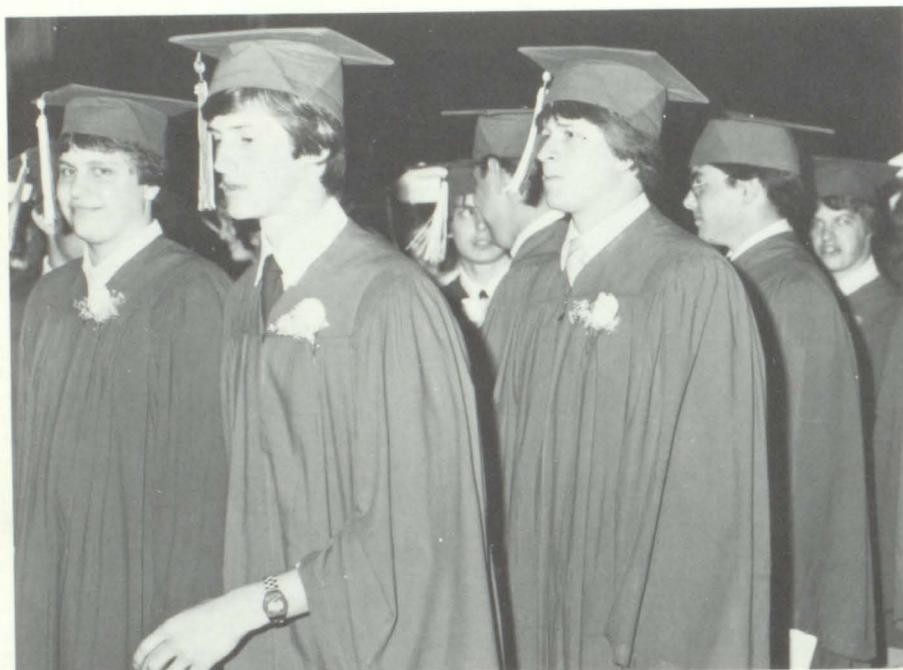

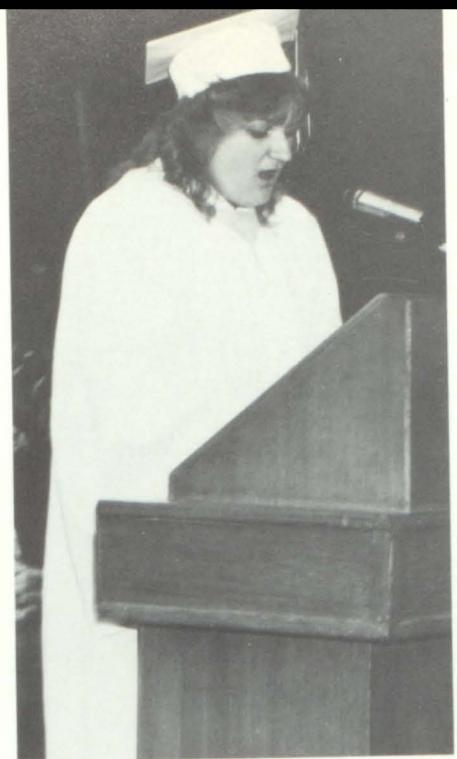

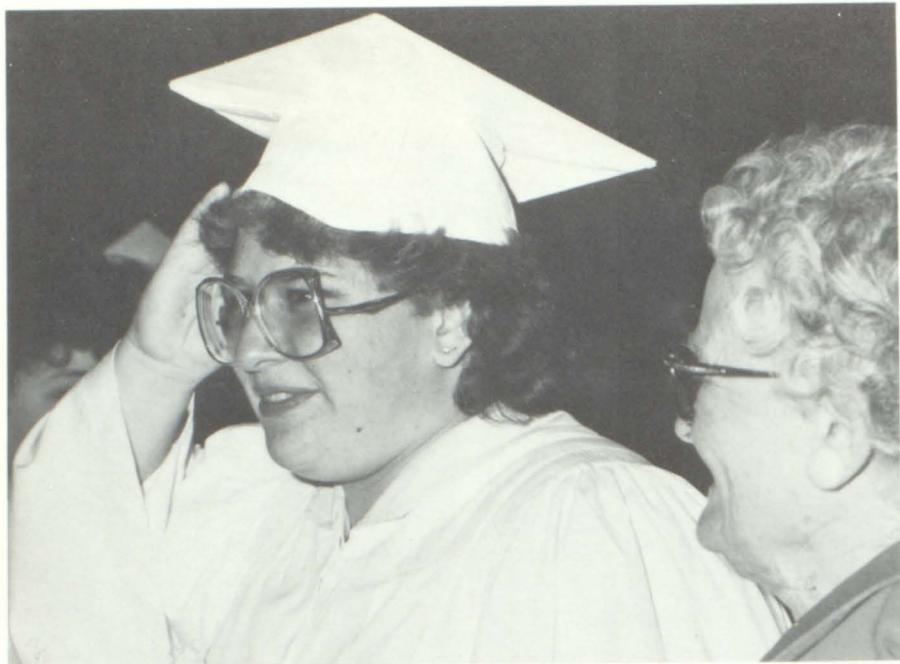

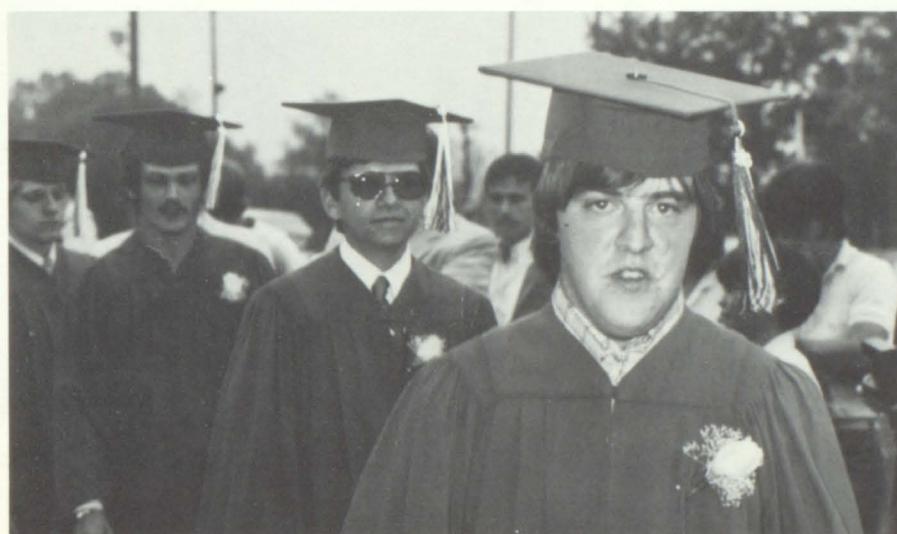

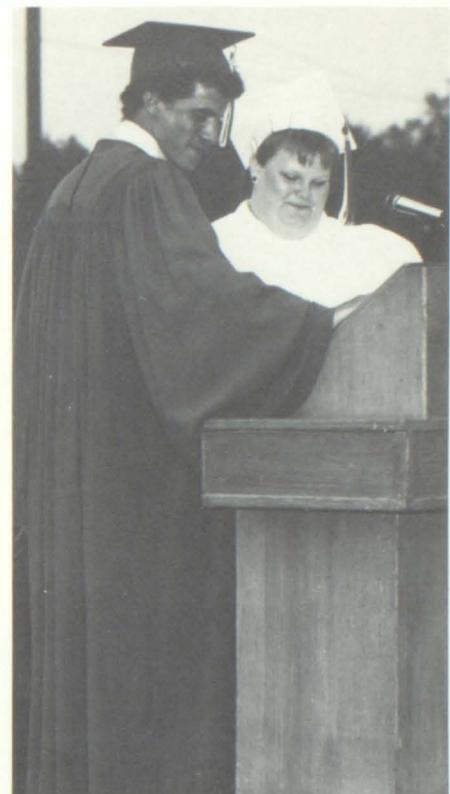

May 21, 1983. Graduation. After four years full of friendships and memories, the 149 members of the class of 1983 ended their days at B.H.S. A yellow rose was chosen as the class flower, while yellow and sky blue were the class colors. "The greatest distance we have yet to cover still lies within us," was the motto.

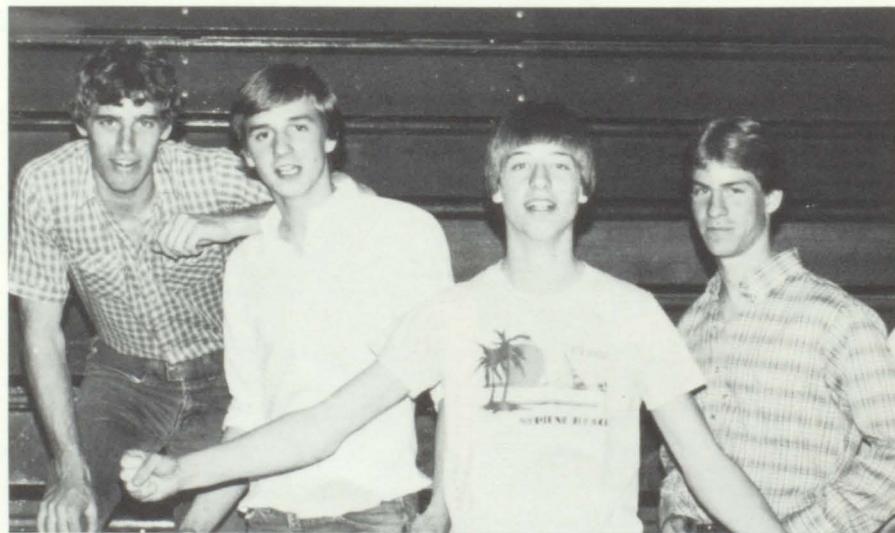

After the diplomas were handed out, the faces of the graduates showed many different emotions, including both joy and sadness. Although the class of '83 is leaving to face an unknown future, they will always have their memories of the times at Batesville High School.

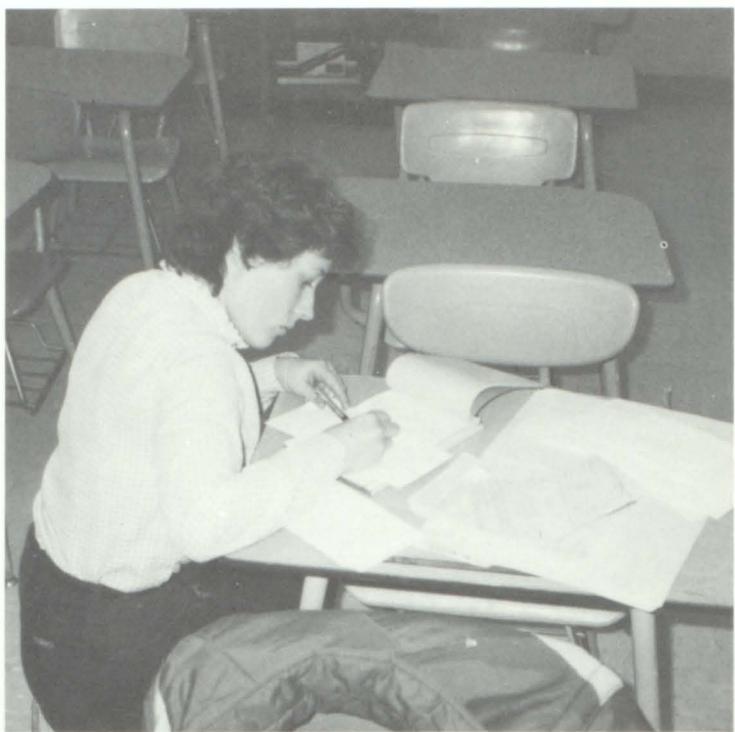

Lots of Pictures and Summer Hours

Hundreds of pictures and lots and lots of time went into the work of the 1983 Bulldog yearbook. Layout for each page had to be done and checked and rechecked before the pages can be sent to Texas for the final printing. Anne Ekins and Jane Hartshorn led the staff during homeroom as they tried to meet the necessary deadlines. Ads had to be sold to help defray the cost of each book. Students paid \$15.00 per book, but the total cost for the making of each of the books was nearly \$25.00 Hopefully all the Batesville students will be able to look back on this year's book with fond memories of their 1982-83 school year.

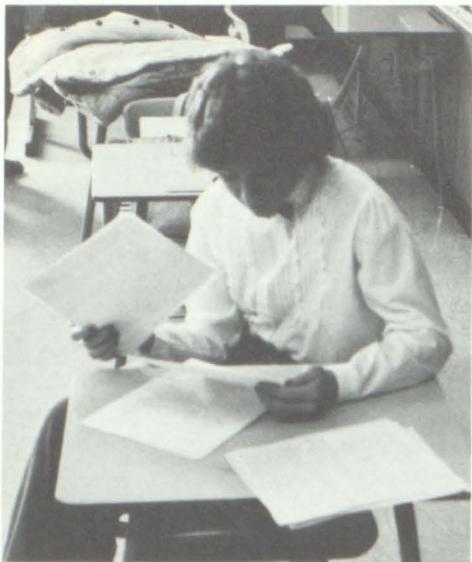

ABOVE . . . Anne Ekins cropped many pictures as she worked on the layouts for each yearbook page.

BELOW . . . Jane Hartshorn concentrated among the crowd as she worked feverishly on necessary body copy for each page.

TOP LEFT . . . Lesa corrects all body copy.

TOP RIGHT . . . Decisions about class pages were lengthy.

ABOVE . . . Identifying pictures was time consuming.

RIGHT . . . Advertising layouts were carefully done.
